1. Introduction

Theme: The theme for this Rally is "**United In Worship**". The Rally (previously named Pow-wow) name was selected to differentiate this GREAT event from other previous Conference, District, etc. camping events. The goal is for this same type Rally event will be held every four (4) years and will also be the catalyst for many more joint activities and training with all Royal Rangers and other Boys' Ministries of North Carolina regardless of Denomination affiliation. This is again truly a **HISTORICAL EVENT** in which for the **third time in North Carolina** (and maybe the Nation) that all Royal Rangers from the state including the IPHC Cornerstone Conference (Host Conference), IPHC North Carolina Conference, Assembly of God North Carolina District, Pentecostal Free Will Baptist Region and NC Church of God along with many other affiliated Outposts totaling possibly as many as 10 Denominations represented will camp and live together for the weekend experiencing each other in fellowship, activities and most of all a **GREAT MOVE OF GOD within us ALL and seeing God's Kingdom explode with spiritual experiences and growth as we unite for HIM!!! Pray and pray and pray now and during the Rally for the greatest outpouring of His Spirit EVER and for many boys and men to be miraculously touched!!!**

Date and Arrival Details: October 27-29, 2017. Outposts will only be allowed to enter the campgrounds and begin camp setup on Friday, October 27 after 3:00 pm. Note: Those desiring to arrive earlier will only be allowed to enter the campground and setup only with prior written approval from the Rally Coordinator, Commander Michael Hubbard (H-919-467-6960, C-919-795-6355, CmdrHubbard@aol.com). All Outposts will be assigned a campsite and will not be allowed to go into any restricted areas or other areas of the campgrounds (i.e. all buildings, activity areas, FCF encampment, lake area, etc.) during this pre-Rally period on Friday afternoon (See Schedule for reference). No overnighters are allowed prior to the Rally except for the Rally Staff and as approved as noted previously by the Rally Coordinator. **IMPORTANT:** This Rally is a very unique and important event. Therefore, it is strongly recommended and emphasized that all Outposts make every planning effort to assure arrival, registration completion and campsite set-up early enough to assure attendance at the opening Sr. Commander and Staff Meeting (8:00pm Friday night). It is understood that the Rally is scheduled during the school year and it is suggested that each Outpost traveling greater distances from the Rally site may consider contacting each parent about allowing their sons to possibly check out of school early to expedite an on time arrival to the Rally. It is also recommended as possible to send an earlier delegation from each Outpost as possible (i.e. a few adult leaders as needed) ahead of the main Outpost group for on time arrival, registration and camp setup.

Location: The Rally will be held at the **Cornerstone Conference Campgrounds** located at 7545 Highway 29, Brown Summit, NC just north of Greensboro and just north of the Brown Summit exit on the west side of Highway 29.

Each individual (boys and leaders) shall complete an **“INDIVIDUAL REGISTRATION FORM”** and **“MEDICAL RELEASE FORM”**. These forms will be the basis for the Outpost to evaluate the numbers and needs for their Outpost members and completion of the **“OUTPOST REGISTRATION FORM”**. The **“OUTPOST REGISTRATION FORM”** including required check for registration costs is the only form required for registering your Outpost (by September 15, 2017 as noted above). Do not send the **“INDIVIDUAL REGISTRATION FORM”** and **“MEDICAL RELEASE FORM”** with the **“OUTPOST REGISTRATION FORM”**. The **“INDIVIDUAL REGISTRATION FORM”** and **“MEDICAL RELEASE FORM”** shall be completed and brought with you to the Rally for your Outpost First Aid Safety Officer reference as required and a copy remains with the Outpost (copy remains with the Church also is recommended). All adults must also complete the **“WORKERS CLEARANCE FORM”** (for reference and use if no other forms are being used by your local Outpost and / or Church). NOTE: It is the total responsibility of the local Outpost / Church to provide all required Medical Release information, First Aid, insurances, etc. and certification of all adult attendees by your local Outpost / Church and not the responsibility of the Rally and it's Staffs and bring these forms with you to the Rally for record and reference as needed.

Note that **Registration Fees are also required for all Rally Staff (Cost: \$25.00** per person includes one (1) T-shirt, two (2) patches, costs for all activities / events and facilities use and does **NOT** include any food. **Total amount due by September 15, 2017.** \$35.00 after September 15, 2017 and may not guarantee a T-shirt or patches.). Please complete the **“STAFF REGISTRATION FORM”** (along with the required **“MEDICAL RELEASE FORM”** or equal and **“WORKERS CLEARANCE FORM”** or equal) and mail with required check (made payable to “Royal Rangers” for “2017 Rally”) to Commander Michael Hubbard (Rally Coordinator), 110 Dry Avenue, Cary, NC, 27511. Contact Commander Hubbard with any questions at H-919-467-6960, C-919-795-6355 or CmndrHubbard@aol.com. It is also very important that interested Staff complete and mail in their **“STAFF REGISTRATION FORM”** as soon as possible prior to September 15, 2017 for better planning for tasking assignments for the Rally. **IMPORTANT:** Those registering as Staff do not need to register again on their **“OUTPOST REGISTRATION FORMS”**.

Highlight Activities: IMPORTANT: Due to the large number of attendees expected and the short time of the Rally, a pre-registration priority may be required for the main highlight activities as noted below. Note that there will be a **pre-determined maximum number that will be able to take part in each of**

these activities and assignments will be made on a first-come / first-received basis as space is still available in each activity as Registration Forms are received. Therefore, note which activity your Outpost is interested in priority order (i.e. Zip-line – 1, Giant Swing – 2, Climbing Wall – 3 and Paintball – 4). Note indicate number of boys only (no adults due to the time availability and adult leaders may take part if time allows). Note this **does not guarantee** your participation in any of these activities if you do not send in your Registrations **EARLY!** Note also that based on final registration numbers, interest in specific highlight activities and availability of time, Outposts may be able to take part in more than one highlight activity. Therefore, please do not forget to note your priority order for the highlight activities below!

Global Quest: Note that on each Registration Form there is an indication for “Global Quest Offering (\$5.00 per person “suggested”). Each year, the IPHC Royal Rangers commits to partner with a ministry within the IPHC to “make an impact.” In years past, through the Global Quest Offering, youth from the IPHC have contributed many thousands of dollars to Free Camp, People to People Ministries (Hope4Sudan), and Metro Ministries’ Christmas Project. This year, we have the privilege of partnering with these three ministries again through the Global Quest Offering! These ministries are making a difference in the lives of children and teens every day. Please make every effort to contribute as much as possible to this great need. Every penny counts! See for more specific information on each ministry.

Ranger Derby Registration: Note that you must complete the Ranger Derby Registration Form including the \$5.00 per person additional registration fee for each participant. NOTE this Ranger Derby Registration Form shall be submitted with the Rally Outpost Registration Form and note the deadlines. The Ranger Derby (previous “Pinewood Derby”) details are also on the Registration Form and it’s attached rules. Depending on final participant numbers, the competition may begin on Friday night and will be confirmed at Registration and the Friday night Commanders Meeting. **NOTE AGAIN: All Derby Registrations received after October 15, 2017 will NOT be allowed to compete (i.e. those showing up at Rally without pre-registration before October 15, 2017).**

Trash dumpsites will be designated and Sanitation Officers shall be assigned for each specific group. All trash should also be gathered and taken away by each specific Outpost where possible and if provided dumpsters are full at time of departure on Sunday.

Tobacco, Alcohol, and Drugs Use Policy: Tobacco, alcohol, and illegal drugs are not permitted on the campgrounds. Violation of this rule will result in immediate expulsion from the Rally and campgrounds by the Rally Staff.

Traffic and Safety Policy: It is essential that motor vehicles be used to transport materials, supplies, and selective group of Rally Staff workers throughout the Rally site. The following guidelines are for the best interest of all participants. Everyone is expected to:

- Always carry a flashlight at night.
- Give emergency vehicles the right of way.
- Use of motor vehicles on site is by approval of the Rally Coordinator only.
- Always fasten your seat belt when using a motor vehicle at Camp.
- Travel within the speed limit of 10 mph since this is a highly congested area.
- Truck beds / tractors must not be used for transporting passengers.

Security: Note that security is always a concern at all Royal Ranger activities for the best activities we can give our boys and leaders. The Campgrounds is equipped with fairly good security measures including a fence along the front property line with a motorized gate. This area will be monitored during arrival, Registration and during daylight and nighttime hours. The main gate will be closed after 11pm each night and re-opened at 7am. Note that if you leave the Campgrounds during such nighttime hours, the gate will open as you leave, but it will not re-open upon return without a code to open gate. Therefore, plan any off-site movement to daylight hours only. Anyone requiring to exit the campgrounds for justified and approved purposes (emergency purposes only) as approved by the Rally Coordinator and Rally Staff during nighttime hours will also require confirmation with the specific group coordinator for documenting and approving of such departure and re-entry. Re-entry will not be allowed without such prior approval and coordination as noted prior to 7:00am the next morning. Any minor security issues should be handled within the outposts themselves. Any minor issues transending 2 or more outposts should be handled between the outpost commanders. Any major issues involving vehicular traffic, parking, theft from vehicles or vehicle damages will be handled by the Rally Staff and / or local authorities. Any serious crime issues will be handled by the local law enforcement authorities. It is recommended to maintain all vehicles locked at all times and not to leave any valuables within vehicles.

Child Abuse Prevention Policy: Due to differences in certification of adult leaders and attendees from denomination to denomination, group to group, outpost to outpost, church to church, etc., all adult attendees shall be the total responsibility of each individual outpost / church due to their specific knowledge of each adult attendee and shall totally certify for their attendance and will not be in any way the responsibility of the Rally, Rally Staff, Cornerstone Conference, IPHC and all other denominations, groups, etc. attending the Rally. The following is for reference only and use for each specific outpost / church or as otherwise certified by such individual outpost / church. All adult leaders, workers, staff, etc. (18 years and older) attending the Rally must be totally certified and approved by their local outpost / church and complete the "**WORKERS CLEARANCE FORM**" (For reference or equal as used by the local outpost / church). Required Background Checks and per the local outpost / church approval is required. Each adult person shall complete the required NC AG District Background Check (as required by the NC AG District Royal Ranger adults and leaders) or PFWB Background Check (as required by the PFWB Royal Ranger adults and leaders) or your specific local Church's requirements / Background Check (as required by the IPHC Royal Ranger adults and leaders). Note that if an adult person has completed the NC AG District Background Check for a current or previous Camp and such Background Check is current, then no other Background Check is required unless as otherwise required by the NC AG District. Any questions shall be directed to Commander Michael Hubbard (Rally Coordinator) at H-919-467-6960, C-919-795-6355 or CmdrHubbard@aol.com and / or your specific group's leader (i.e. Cmdr. Brady Allen, Cmdr. Jerry Barnes, Cmdr. Phillip Williams and Cmdr. Phillip Pearson). All suspected child abuse and / or neglect at the Rally will be reported immediately to each specific group's leader as previously noted. Child abuse and / or neglect reports will be kept confidential, and alleged offenders will be confronted and reported to the proper authorities accordingly. Acceptable conduct concerning man and boy relationship should be defined and agreed to with all adult delegates before arrival at the Rally. It is the policy of Royal Rangers to never leave only one commander / leader with the boys. It is in the best interest of men and boys if the "2 deep" rule is observed. That is 2 commanders / leaders with the boys at ALL times and observe / practice other appropriate conduct and practices at ALL times.

Safety Precautions and Procedures: North Carolina is known for its hot temperatures and high humidity during the summer and fall months. Precautions need to be taken to drink sufficient amounts of liquids to avoid heat-related injuries. Frequent drinks and rests in a shaded area are necessary during extremely warm temperatures. Sunscreen should also be consistently applied to prevent sunburn.

Insects: Precautions need to be taken to avoid ticks and chiggers ("red bugs"). The use of insect repellent and avoiding high weeds and wooded areas will help prevent infestation. Should ticks or

chiggers infest a person, he should immediately go to their specific First Aid and Safety Officer/ Station for treatment.

Snakes and Wildlife: Do not confront or touch snakes and any other wild animals. We are visitors to their environmental home. All snake and animal bites should be reported to your First Aid and Safety Officer, Rally Coordinator and / or Rally Staff member immediately.

Injuries: All injuries should be reported to their specific First Aid and Safety Officer / Station. The medical staff will take appropriate action in the event someone becomes injured. An adult leader must accompany sick or injured boys from his Outpost to and from their first aid station and / or local community medical center or urgent care center.

Emergency Evacuation: In case of a emergency as designated by the Rally Staff (i.e. severe thunderstorm, high winds, tornado, flood, or other unexpected hazards), all outposts should quickly report to their assigned cabins and / or cafeteria building for safety purposes and additional instruction from Rally Staff.

6. Campsite, Grounds and Facilities

Campsites: Note that all campsites will be assigned in the open areas of the campgrounds. Each specific Denomination, Conference, District, etc. will not camp together in their own specific areas. Each Outpost as they arrive will be assigned a campsite location and adjacent the previous arrival Outpost. Therefore, appropriate to our theme of Unity as in the past, we will all camp together as each Outpost arrives for the Rally. I.E. an AG Outpost may camp next to an IPHC and IPHC next to a PFWB and PFWB next to another and another and another . . . Outpost as the campground is filled and camp as one large Rally Outpost. How exciting to see all of us camping and living together during this another great Historical Rally.

Campfires: Campfires are allowed and shall be located with total safety in mind as well as leaving the area just as it was when you arrived (or better). It is suggested each Outpost bring fire wood as needed. It is presumed that most if not all cooking will be on gas stoves and the campfires are for fellowship and heat use only and may not be needed. Firewood stockpiles shall not be removed from existing Campsites. Firewood may be gathered from other wooded areas (i.e. fallen trees and limbs only). It is strongly recommended if campfires are not needed for cooking that a few Outposts may coordinate and decide to provide only one campfire centrally located between two or three campsites for group fellowship.

Buildings: All buildings are off limits with the exception of assignments for cabins and showers for Outpost's and Staff's use. The Staff Building is for Rally Staff only. A headquarters office will be located in the Staff Building Lobby for contact with Rally Staff and any emergency and information contact needs. The Dining Hall and Auditorium will only be used during such required activities (i.e. emergency use requirement also) and are off limits to all campers otherwise. Note that all cabins and any other buildings use shall be kept clean at all times and periodic inspections will be scheduled by the Rally Staff. Such facilities will be assigned persons (Sanitation Officers) from each Outpost and specific group to be responsible for keeping such facilities clean and of final cleaning of facilities prior to departing on Sunday. Note that cabins are not for camper use for sleeping. Staff assignments for sleeping in cabins may be designated for security and sanitation control. There may also be persons assigned to cabins for First Aid and Safety purposes as coordinated with each group and the Rally Staff.

Toilets and Showers: Cabin assignments will be made for toilet and shower use. Please keep these areas clean after each use. Conserve water always. Do not place any items in toilets except for conservative (small!) amounts of toilet paper as needed for each use. Contact your specific Sanitation

Officer / Rally Staff if problems exist with plumbing and facilities. The use of biodegradable soap is recommended since it helps keep the environment safe.

Trading Area: An area will be designated for trading in the FCF Village for trading items (no money should be exchanged for these items) as well as a for-sale "Trading Post" as coordinated and approved by the Rally Coordinator and Staff. Both boys and leaders will be allowed to swap items of interest with each other, if the boy's Commander approves. Commanders must be present for all trades and sales. Plan to bring to the Rally previous Pow-wow, Camporama, FCF, etc. patches, etc. for trade. Denomination / Conference / District groups may offer their t-shirts, patches, other items, etc. for sale in a designated area in or near the Staff Building and / or Concessions area.

Assembly Area and Ceremonies: The main Assembly Area is at the Flag Poles in front of the Staff Building which will be used for such assemblies as noted on the Rally Schedule. Each Outpost / Conference / District / Denomination group is encouraged to display a 3 ft. X 5 ft. flag or other banners and / standards for identification at the Rally as interested.

FCF Frontier Encampment: Frontiersmen Camping Fellowship members are encouraged to bring and set up lodges and tee-pees in the FCF Village. The FCF village will be open at various times during the Rally for various activities. The Village will be patterned after an old-time frontiersmen rendezvous complete with demonstrations of FCF skills and Trade Blankets (trade only - please bring items that you can trade with the boys for). There will be a for-sale Trading Post open all day with items for sale as previously noted. **No firearms of any kind or for any purpose are allowed in the Campsites (With the exception of replica inoperable plugged / solid barrel type firearms used for instructional, demonstration and outfit presentation purposes.)** The FCF Presidents will administer all handling and storage of firearms.
